New Team Instructions

Registration

Please register your team at <https://swpa.apaleagues.com/FormTeamRegistration.aspx>
In the comments section, please include the e-mail addresses of as many of your players as you can (an e-mail address is required for players to claim their player account).

Teams

Teams consist of 5 – 8 members. Each member must pay their annual membership (currently \$30.) before their first night of play. Memberships can be paid, to our office through Venmo, or to the National Office at Poolplayers.com and clicking the Membership tab. Five members shoot each night.

Apps

Download the APA player app and the Scorekeeper app. Search your play store for APA and you should easily be able to find and install the apps. The player app tracks your stats and Scorekeeper is self-explanatory. After you have downloaded the apps you will simply open and follow the prompts. If you can't use Scorekeeper for some reason, you may print your scoresheet from the app, and mail it back to the office with your dues.

Dues

Weekly dues are currently \$35.00 per team each week played and can be mailed or paid through Venmo. We are [@apaswpa](#) on Venmo.

Venmo

Download the Venmo App. Sign up. Link your bank account or credit card. Hit the pay or request button. Send payment to [@apaswpa](#). In the note section, please write your team name & number and the week of play. If you are sending membership payments, please note who is being paid.

Rules/by-laws

Our rules and by-laws are located at <https://swpa.apaleagues.com/RulesByLaws.aspx>. You should read and become familiar with the rules.

Relax

Have fun and don't worry, we will schedule your team against a seasoned team that will help you learn and be comfortable with our league.
